MARK L. HOLLOWELL, DIRECTOR

Date: January 4, 2023
To: Board of Public Works
From: Mark L. Hollowell
Subject: Snow Plowing Contracts for 2022-2023

Recommendation:

The Board vote to recommend approval of a contract with C. Walsh Construction for the 2022-2023 snow and ice season as recommended by the Highway Division.

Background:

Walsh Contracting was already approved on November 16, 2022. They informed DPW on January 4th that one of the two trucks would be from C. Walsh Construction so a new contract and BPW approval are needed for this vehicle.

On January 11, 2023, the Board of Public Works voted to recommend approval of a contract with C. Walsh Construction for the 2022-2023 snow and ice season as recommended by the Highway Division.

MARK L. HOLLOWELL, DIRECTOR

Date: January 4, 2023

To: Board of Public Works

From: Mark L. Hollowell

Subject: Change Order- T&K Asphalt- Municipal Parking Lot Maintenance

Recommendation:

The Board vote to recommend approval of change order No. 1 to T&K Asphalt in the amount of \$13,058.00 for Municipal Parking Lot Maintenance.

Background:

T&K Asphalt performed maintenance on a number of municipal lots this summer into fall, including Town Hall, Police Station, and all schools. The Allen Ave Fire Station had a new front ramp installed, side driveway and repairs to the rear parking lot. This work went over the total contract price of \$388,999.65 and represents a 3.3% increase in the project cost. Funding for the change order is from an article for this purpose.

On January 11, 2023, the Board of Public Works voted to recommend approval of change order No. 1 to T&K Asphalt in the amount of \$13,058.00 for Municipal Parking Lot Maintenance.

MARK L. HOLLOWELL, DIRECTOR

Date: January 9, 2023

To: Board of Public Works

From: Mark L. Hollowell

Subject: Recommend Contract Change Order Extension with Beta Group for 10-Mile River

Recommendation:

The Board vote to recommend to recommend to approve Change Order No. 3 for Beta Group Engineers Inc. to extend the completion date of Engineering Services for Fluoride Assistance from Oct 31, 2022 to June 30, 2023.

Background:

BETA Group has been working on a 10-Mile River Design. This fall, we were awarded funding through FEMA, but the project did not match up with the grant requirements. Beta revised the plan and submitted to FEMA. We are waiting to find out the next steps toward the project.

On December 28, 2022 the Board of Public Works voted to recommend to recommend to approve Change Order No. 3 for Beta Group Engineers Inc. to extend the completion date of Engineering Services for Fluoride Assistance from Oct 31, 2022 to June 30, 2023.
