RE: **Measure 2025-101- Funding for new NEIRS Fire Reporting Software.**

Town Council Meeting- President Justin Paré

Measure 2025-101- Funding for new NEIRS Fire Reporting Software.

Purpose and Justification:

Approval of Funding for a One Year Memorandum of Agreement Between the Town & The The Fire Departments NFIRS reporting system is being upgraded per federal standard reporting requirements to NEIRS (National Emergency Response Information System). As this module was not developed and in place with our initial pricing packaging for our RMS System there is a onetime \$5000.00 purchase fee for this new required software platform.

The U.S. Fire Administration (USFA) is leading a national effort to develop and launch a new interoperable fire information and innovative analytics platform, known as the National Emergency Response Information System (NERIS).

NERIS will empower the fire and emergency services community by equipping them with an empirical basis for decision-making. It will provide the community with reliable predictive analytics to support enhanced preparedness and response to all-hazard incidents, wildland urban interface events, community risk reduction efforts and associated resilience and mitigation efforts, and future pandemic emergency response resource preparedness.

Funding of this Measure will be transferred from the following accounts:

| | |
|-------------------------------------|------------|
| 30422005-585111- Front End Loader | \$4,261.79 |
| 30422489-585103- 6 Wheel Dump Truck | \$738.21 |

The Town Council met on JUNE 9, 2025, and on behalf of the Town Council, a motion was made by Vice-President Simmons to approve **Measure 2025-101- Funding for new NEIRS Fire Reporting Software.**

The motion was seconded by Councilor Donovan.

Motion carried. 8-0.
