Testing of Election Equipment for the September 3, 2024 State Primary election will be done in the Lower Level of the Town Hall beginning Tuesday, August 13, 2024. The testing will begin at 10:00 AM and will continue until completed. This is open to the public, however, due to the size of the testing area, we ask that anyone who will be observing please notify the elections office at 508-699-0106 if they will be observing the process.
